Charles S. Rhyne has combined a career in litigation with a life of public service as a leader in the legal profession in America and in the world. The chapters of this autobiography set out his accomplishments and place them in the setting of national and world history.

As a litigator, Rhyne successfully argued the case of Baker v. Carr in the Supreme Court of the United States; this case, which Chief Justice Earl Warren wrote was the most important decided by the Court he led, solidified the role of federal courts in ensuring that all Americans have equal voting rights. Rhyne argued cases in the Supreme Court from 1939 through 1984 and...
