ELEVENTH CONFERENCE ON THE LAW OF THE WORLD

PROGRAM

September 25-30 1983, CAIRO, EGYPT
6:15 P.M.

Reception: Given by H. E. Dr. Abdel Hamid Hassan, Governor of Giza followed by a Sound and Light Show.

* There will be similar celebrations all over the World, with the celebration in CARIO being the "Summit" or Chief Program of WORLD LAW DAY.

The major purpose of WORLD LAW DAY is to call to public attention the law and its important part in the lives of all humankind. For this reason all members of the public are invited to the hundreds of World Law Day Programs which will be held world-wide in most of the nations of the world.

Many of these programs are stressing the moral values and concepts which are embodied in the principles of the rule of law, as handed down to us today by the great lawmakers of the past. The rule of law is the most universally accepted concept of humanity; therefore, it offers the foundation upon which to build a peaceful World order with justice for all persons and all Nations.

23. Limited Discussion Time

In consultation with the Conference Program Director, or the designated Program Coordinator, the Chairman shall determine and announce at the opening of each session the total time to be allocated to each panelist or speaker for comment and discussion, as well as the total amount of time that can be made available for questions or discussion by speakers from the floor.
