Dear Friend:

This is your official invitation to participate in the Abidjan World Conference on World Peace Through Law, August 26-31, 1973. The Abidjan Conference is the first such world meeting of the legal profession ever to be held in Africa.

Africa is engaged in a fast and fascinating era of development. The Abidjan Conference provides a challenge and opportunity to you as one of the world's law leaders to help increase the impact of law in this development.

There is an increasing need to achieve a broader, deeper knowledge and understanding of the African world, its history, its culture, and its patterns of thought and its distinct and growing role in world affairs. Participating in the Abidjan Conference can help in understanding what is happening and what is going to happen in the field of law not only in Africa but throughout the world.

The Abidjan Conference is an excellent opportunity to visit Africa for the first time or to revisit Africa if you have been there before. I urge you to plan now to attend this historic Conference by sending in your registration application and reservations for hotel and travel arrangements.

Sincerely,

*Charles S. Rhyne*

Africa—a fascinating continent and the center of the developing nations, has been chosen as the site of the SIXTH WORLD CONFERENCE ON WORLD PEACE THROUGH LAW. From August 26 to 31, 1973, the Conference will take place in Abidjan, Ivory Coast. the Conference will foster a knowledge of Africa and its relation to international law and development. Special ceremonies will mark the 25th Anniversary of the signing of the Universal Declaration of Human Rights. WORLD LAW DAY will be celebrated August 26, 1973, and will be devoted to "Religion and the Law." ## GENERAL INFORMATION

### Official Conference Agent

The official Conference agent for the Abidjan Conference will be Travel Consultants, Inc., 1025 Connecticut Avenue, N.W., Washington, D.C. 20036, phone (202) 659-9555. Upon receipt of your reservation form, Travel Consultants will confirm registration, hotel accommodations and other services. It is to your advantage to arrange transportation and travel programs through this one agency in order to guarantee your accommodations at the Hotel Ivoire and to guarantee to all participants the lowest possible transportation rates.

### Registration Fees

Registration fees for the Conference are:  
\$100.00 for members of legal profession  
\$50.00 for family members or accompanying persons

### Headquarters

The Hotel Ivoire will serve as Conference Headquarters. All conference sessions will be held in the Congress Hall on the hotel property.

### Documentation Requirements

**Passport:** A current valid U.S. passport (or applicable national passport) is required. Travel Consultants, Inc., will provide U.S. passport applications on request.

**Visas:** Visas for the Ivory Coast are required. They will be obtained for you by Travel Consultants, Inc. at a cost of \$5.00 per person. Those persons planning to visit other areas in Africa or elsewhere which require visas will receive separate information from Travel Consultants, Inc. regarding visa and health requirements.

**Health Requirements:** A smallpox vaccination certificate less than three years old and a cholera inoculation less than six months old are required.

It is also now required that your physician indicate that either freeze-dried or liquid vaccine was used; he must also indicate the origin and batch number.

Yellow fever inoculation is also required and this can only be obtained at certain yellow fever vaccination centers—not from your local doctor. All participants will be sent a list of these vaccination centers so that you can make arrangements to obtain the necessary shots, which do not become valid until ten days after the immunization.

Abidjan's climate is similar to that of any tropical area in August—temperatures range from the high 70's to the high 80's and in general there should be sunny skies with only intermittent showers. Tropical attire is suitable for the daytime and coats and ties are customary in most of the better restaurants in the evenings.

Black tie is preferred for the Banquet and High Court Judges are urged to bring their Court attire for the World Procession of Judges during the opening Inaugural Ceremonial Session on Monday, August 27, 1973.

### Ladies' Program

Wives and guests are cordially invited to attend the Conference and are welcome to attend all Conference sessions if registered. Special activities will be provided for the ladies who are registered for the Conference.

### Interpretation and Visitors Services

Simultaneous interpretation facilities will be provided for all Conference sessions. Voluntary interpretation and information services will be available for all persons in attendance at the Conference.

### Special Events

A number of Special Events will be included in the Conference programs such as Receptions, social events and other special arrangements.

### Baggage Allowance

The International Free Baggage Allowance is 66 pounds (30 kilos) per person for first class air travel, and 44 pounds (20 kilos) per person for economy (group fare and charter) air travel. Baggage may be pooled by members of a family traveling together.

### Local Sightseeing

There are a number of interesting half- and full-day sightseeing tours available in Abidjan. All participants will be sent a complete description of these various tours and attractions in order to prearrange sightseeing to the extent possible before your arrival. Deluxe air-conditioned transportation facilities and English-speaking guides are limited, and thus we urge you to read this material carefully when you receive it and make your reservations before your arrival in Abidjan.

### Airport Transfers

All persons making travel arrangements through the official Conference agency at Travel Consultants, Inc., will be met on arrival at Abidjan Airport and will receive round trip airport transfer service (35-40 minute drive). Special Customs handling will be arranged. All organized WPTL travel programs include round trip airport transfer service. Those purchasing independent travel tickets will be provided with round trip airport transfer service at a cost of \$10.00 per person including portorage.

## WORLD PEACE THROUGH LAW OFFICIALLY SPONSORED GROUP TRAVEL PROGRAMS

The Conference Site of Abidjan, Ivory Coast, lends itself especially well to organized group travel programs. Participants from the United States, Canada, Latin America, etc. will find that their cost of participation can be dramatically reduced by taking advantage of one of the travel programs outlined in this brochure.

The savings on air transportation are most significant. There are also very significant savings in the cost of hotel accommodations, sightseeing and other activities.

We have established the following guidelines in terms of the operation of all World Peace Through Law sponsored travel programs:

1. We have organized a wide variety of travel programs in order to appeal to as many different preferences as possible. However, no travel program will be operated without a professional agency escort to accompany the group throughout, thus assuring a high standard of service and carefree travel for the participants. Any tour where we do not have at least 20 participants will be cancelled. Participants on such a tour will be given the choice of continuing on the same itinerary on an independent basis or joining one of the other travel programs or cancelling altogether.
2. All hotels are deluxe, or best available.
3. All meals will be on an a la carte basis except while on safari in Kenya and Uganda — in other words, participants will not be restricted to any pre-selected menus for meals included in the trip price.
4. All buses and other conveyances are air conditioned and are the best available in each country visited.
5. All tour programs include accommodations at the Hotel Ivoire in Abidjan during the Conference in order to insure consistency of deluxe hotels throughout the itinerary.
6. All tours have a maximum number of participants that can be accommodated due to the limited availability of deluxe hotel space and air reservations on certain flight segments. When this capacity has been reached, no further reservations will be accepted and additional participants will be offered the choice of other travel programs or independent arrangements.
7. World Peace Through Law programs are in all cases priced below rates available to the general public for comparable travel programs.
8. Reservations on all programs will be accepted on a strict first come, first served basis.
9. Registrants on any tour that will not operate due to lack of participation will be notified no later than 60 days prior to the scheduled departure. Participants will also be notified as soon as each program reaches the required minimum.
10. If the charter flight does not operate due to lack of participation, participants will automatically be protected on regularly scheduled flights on the same dates of travel using the Group Inclusive Tour Fare. This will result in a maximum additional cost of \$87.00 per person above the announced charter flight rate (based on air fares as of July 1, 1972).

### DETAILED ITINERARIES AND SUMMARY OF INCLUDED ITEMS IN TRIP COSTS

Note that this brochure contains only very brief descriptions of each travel program. All confirmed participants (and others who request more information) will be sent completely detailed itineraries on their choice of travel program, which will also outline exactly what is included in each travel program trip price.
